LEGAL NOTICE

Canyon Fuel Company, LLC, of Grand Junction, Colorado, hereby announces its intention to blast in an area located approximately two miles west of Scofield, Utah. The currently approved mining permit is number ACT/007/005.

Canyon Fuel Company, LLC, operates the Skyline Mines which are located four miles southwest of Scofield, Utah, in Eccles Canyon, within the southwest quarter of Section 13, Township 13 South, Range 6 East, Salt Lake Base Meridian.

Skyline Mines plans to construct a portal for installation of a mine ventilation fan within the northwest quarter of Section 1, Township 13 South, Range 6 East, Salt Lake Base & Meridian. The fan site is two miles west of State Road 96. No occupied dwellings are within 1/4-mile of the site. The slope construction may require one to two surface blasts to be conducted in the September 1-30, 2011 timeframe. The remainder of the work will be conducted underground. The blasting will take place during daylight hours and the necessary safety precautions will be enforced. All blasting will be done according to the blasting plan as approved in the Mining and Reclamation Plan. The area of the construction site is already included in the Skyline Mine permit area.

The address of the applicant is: Canyon Fuel Company, LLC
c/o Arch Western Bituminous Group, LLC
225 N. 5th Street, Suite 900
Grand Junction, CO 81501
(970) 263-5130

Written comments or requests for information regarding the blasting for the portal construction may be addressed to the Division of Oil, Gas and Mining, 1594 West North Temple, Suite 1210, Salt Lake City, Utah 84114-5801.

Published in the Sun Advocate August 30, September 1, 6 and 8, 2011.
